

VISION

To help people "learn to fish", to not settle for the status quo. To live their life to the fullest. I dream of seeing myself and others reach pinnacles they never thought possible and change their legacy and their children's legacy forever.

DO YOU KNOW
THIS PERSON?

They are, or are close to being, empty nesters. They probably owned a lemonade stand when they were young and have likely devoted their life to raising kids. They have worked hard for someone else's dream. They are drained but don't want to retire and sacrifice their lifestyle. They are concerned about their financial future.

This person is dedicated and loving. They want to feel like they make a difference in people's lives. They have energy and vitality and want to make the rest of life, the best of life. They want to feel valued and relevant.
